Assetinsure strengthens Board with 2 appointments

Sydney, 1 July 2020

Assetinsure is pleased to announce two appointments to its board effective 30 June 2020:

Peter Wedgwood: Peter founded Assetinsure in 2003 and was the first CEO to 2013 and then a Director up to his retirement in March 2020. Due to Peter's extensive knowledge and experience, the Board, and the broader Lombard Group feel that Assetinsure would benefit from retaining Peter's experience and therefore he joins the board as a Non-Executive Director.

Steven Rankine; Steven has extensive experience in building debt/structured finance businesses both in Australia and overseas (Westpac, Hastings Funds Management), as well as a Director serving as a Non-Executive Director for corporations in Australia in Europe. Given Assetinsure's leading market position in surety and credit enhancement, the company has decided to add further credit and finance expertise to its board.
