Assetinsure mourns death of former Chairman the Hon John Fahey

Sydney, 15th September 2020

The former NSW premier served as the company's Chairman from 2003 to 2015. During Assetinsure's formative years John guided the company through major challenges and reaching key milestones such as the granting of the insurance license, establishment of business partnerships and ownership changes.

"He was a phenomenal Chair - allowing everyone to have their say and then (brilliantly) summing up what was needed either for a resolution or appropriate minutes" said Peter Wedgwood, Assetinsure's founding shareholder. "He dealt with us, and all the issues, with such a calm and yet objective manner - a natural true leader."

He was generous with his time for us and maintained his role at Assetinsure even during his tenure as president of the World Anti-Doping Agency between 2007 and 2013 which saw him travelling the world.

All of us will miss him. May he rest in peace.
